

Elliot **IMPACT** Fund

**RAISING FUNDS FOR IMPACTFUL
PATIENT PROGRAMS AT ELLIOT
HEALTH SYSTEM**

THE GOAL

Make a difference and be a champion of impact by joining us in raising funds for Elliot Health System. There are various opportunities to get engaged and have some fun while making an impact in your community!

GET INVOLVED

Wear pink in October to raise awareness and funds for the Breast Health Center at The Elliot. October is breast health awareness month, so join us in supporting those impacted by breast cancer.

Help start children off on a path toward school readiness and a lifelong love of reading by supporting our Book Drive. We will be collecting new books for children up to 3rd grade (9 years old) to be distributed by Elliot pediatric and family practices to children at their annual well-child visit. Drop-off boxes will be available the month of December at The Elliot at River's Edge and at Elliot Hospital in Manchester.

Help those cancer patients experiencing food insecurity by participating in our Food Drive benefiting the food pantry at the Solinsky Center for Cancer Care at The Elliot. Drop-off boxes will be available at The Elliot at River's Edge and at Elliot Hospital in Manchester. We will also be accepting monetary donations as well.

Pay the \$25 adoption fee for stuffed comfort animals that keep our patients company and help promote our dementia-care initiative. These stuffed animals have helped our patients with Alzheimer's and Dementia who may be confused and lonely while in the hospital feel a sense of peace and comfort during and after their stay.
