## WHO WE ARE

The Elliot Hospital Associates is a not-for-profit organization of volunteers dedicated to raising funds to support the Elliot Hospital initiatives, departments, programs and staff.

## WHAT WE DO

To accomplish this goal, we hold various fund-raising events throughout the year. Some of these include vendor sales, gift basket and calendar drawings, and on a larger scale, we hold a yearly major Trivia Night Challenge fundraising event.

## WHY WE DO IT

In order to better serve the health needs of the greater Manchester and New Hampshire community, the Associates make major pledges to support additions and improvements to the hospital such as the building of the Solinsky Cancer Center, the expansion of the Emergency Department, the new state -of- the-art Hybrid Operating Room, the building of the Elliot Senior Center, and more.

## Our Mission

**Strive** to support a warm and caring atmosphere within the hospital for patients and families.

**Manage** the funds entrusted to the Associates to help the Elliot Hospital care for the ill and needy, and to add to these funds whenever possible for all.

**Collaborate** with the Staff and Administration for the hospital to provide both needed services and a link to the community we serve.

**Provide** opportunities for our volunteers to serve and grow within the Elliot Health system community.

**We resolve** to preserve our very rich history and grow within the framework of an ever-changing environment.
